

RAD'S LGBTIQQA+ OF THE MONTH

Blake Culley

They | Them | Theirs

LGBTIQQA+ Vlogger

Blake is non-binary trans masculine individual. Blake was born and raised in Oxnard, California. Blake made many different vlogs to chronicle their experience, frustrations, challenges, tips, and funny moments because there were hardly any resources available by other deaf trans individuals. Being a trans individual is already an isolating experience, let alone within the deaf and hard of hearing community.
